## Scope of the Journal

JUET Research Journal of Science and Technology is a peer reviewed Journal which is published in one volume per year consisting of two issues. It aims to publish original research papers in all branches of Engineering, Science, Mathematics and Information Technology. The articles that address original research and reviews of both theoretical and experimental aspects are accepted for publication.

## Submission of the Manuscript

Submission of script implies that it has not been previously published and is not under consideration for publication elsewhere (except in the form of an abstract or as part of a published lecture or academic thesis or as an electronic preprint), that its publication is approved by all authors; and further, if accepted, it will not be published elsewhere in English or in any other language, without the written consent from the Chief Editor. Manuscript written in English may be sent to the Executive Editor via email: [executiveditor.jrjst@juet.ac.in](mailto:executiveditor.jrjst@juet.ac.in) or Editorial Office: [editorialoffice.jrjst@juet.ac.in](mailto:editorialoffice.jrjst@juet.ac.in)

## Instructions for Preparation of Manuscript

- Papers must be typed in double spaced in 'Times New Roman' with font size 11 pt with ample margin on all side. The first page of the manuscript must contain (i) the title; (ii) names(s) and institutional affiliations of the author(s) with address and email; (iii) brief abstract followed by 3-6 keywords.
- The paper must be divided into sections starting preferably with 'Introduction' and ending with 'Conclusions'. The main sections should be numbered 1, 2 etc, the sub-sections 1.1, 1.2 etc, and further sub-sections (if necessary) 1.1a, 1.1b etc. All tables and figures must be numbered in Arabic numerals and should be quoted in numerals in the order of occurrence in the text. All photographs should be in JPG (300 dpi) format and graphs in TIFF (600 dpi) format. Figure captions, in order of sequence, should be provided at the end after references.
- References should be cited in the text by Arabic numerals placed under capital bracket e.g. [1]. Use the following system for arranging the references:

### For Journals

[1] A. B. Author, *Journal name*, vol. (year), pp. xxx-xxx.

### For books/monographs

[2] A. B. Author, "Title of the book," xth ed., Country: Abbrev. of Publisher(year), ch. x, sec. x, pp. xxx-xxx.

### For conference proceedings, symposia etc.

[3] A. B. Author, "Title of paper," Proc. *Unabbreviated Name of Conf., City of Conf., Abbrev. State, Country*, xx-xx month, Abbrev. of Publisher(year), pp. xxx-xxx.

Note: 'A. B. Author' represents the name of authors, more than one author may be separated by commas, Use et al. when more than three names are given.

## Proof

Authors are requested to prepare the manuscript carefully before submitting it for publication to minimize corrections. Once the paper is accepted for publication, Galley proof will be sent to the author by email. The author should send it back with correction/clarifications, if any, by email.

## Reprints

A complimentary copy of the issue of journal containing article will be provided to the corresponding author. However, the authors can get reprints of their respective paper on payment.
